MEMORANDUM FOR: Distribution

FROM : [Redacted]  
Director of Scientific and Weapons Research

25X1

SUBJECT : The Soviet Development of Fuel-Air Explosives [Redacted]

25X1

1. The attached assessment of fuel-air explosives delivered by multiple rocket launchers was prepared by our General Purpose Weapons Branch in conjunction with the Office of Soviet Analysis. I believe this information may be of interest because of the potential impact on US forces and materiel development programs by this Soviet development. [Redacted]
